#### **TO BE NOTED CAREFULLY**

1. When a Commonwealth Champion wins a 'World' Championship whether or not recognized by the Council or by any individual Member Federation of the Council the relevant Commonwealth Championship shall automatically be declared vacant. It follows that a Commonwealth Champion cannot lose his Championship as a result of losing a 'World' Championship contest when the opponent would otherwise qualify as an eligible contender.
2. In view of varying medical standards and requirements for boxers throughout the Commonwealth, promoters are urged to ensure that boxers from abroad competing for Commonwealth Titles are capable of meeting the standards of the host governing authority.
3. It is the obligation of the Champion and his manager and/or any promoter with whom they are currently working to meet the defence requirements set by the Council. In the event of difficulty in attracting listed contenders the Council will exercise its reasonable discretion but it will be the obligation of the Champion to ensure that there is Championship activity in the relevant weight division.
