

THE LATE KEITH BROWN (JAMAICA) RIP

I am very sorry to learn of the passing of Keith Brown, former President of the Jamaica Boxing Board of Control.

Well-known in boxing circles he had a major influence on the sport in the Caribbean and many Jamaican youngsters will have developed an interest in the sport as a result of his popular broadcasts.

A sad loss. Our sincere sympathies go out to brother Leroy, his family, and to all his friends and colleagues.

On behalf of the Directors of the Commonwealth Boxing Council.
