PLATINUM JUBILEE

During this period when millions throughout the Commonwealth and beyond will be celebrating the Platinum Jubilee of Her Majesty, Queen Elizabeth II, I take this opportunity on behalf of the Directors of the CBC and all our Champions to convey our greetings to everyone working in our tough and exacting, but exciting sport in their various and different categories.

I am certain you will join us in extending to her gracious Majesty, our best wishes for a memorable celebratory weekend and continued good health into the future, and our thanks for a lifetime of dedicated service to all within her dominion.

Long may she reign over us.
