

**DR CALVIN INALSINGH**

**3<sup>rd</sup> March 2023**

I am very sorry and saddened to learn of the death of our Director, Dr Calvin Inalsingh of Trinidad and Tobago.

Dr Inalsingh, who was 86, was a well-known and well respected boxing administrator throughout the Caribbean and the greater boxing world in general, having served not only as the Chief Medical Officer of the World Boxing Association but also two terms as President of the Commonwealth Boxing Council.

He had represented the Trinidad and Tobago Boxing Board of Control on the CBC across four decades. He also served on the CBC 'ad hoc' medical committee and his advice and judgement had been crucial when required.

With his calm, gentle approach to life it was a pleasure to work with him but even more so to enjoy the pleasure of his company and his friendship.

To daughter Shivanna, herself a Director of the CBC, and to all the members of what we know to be the very close Inalsingh family, I extend my most sincere condolences as well as those of your fellow members of the CBC Board of Directors, in this time of sad loss.
